

CONTROLLING PERSON CRS SELF-CERTIFICATION

Please read these instructions before completing the form:

Regulations based on the OECD Common Reporting Standard ('CRS') require Financial Institutions (FIs) to collect and report certain information about an account holder's tax residency statuses.

If your tax residence (or the Controlling Person, if you are completing the form on their behalf) is located outside Australia, we may be legally obliged to pass on the information in this form and other financial information with respect to your financial accounts to the Australian Taxation Office and they may exchange this information with tax authorities of another jurisdiction or jurisdictions pursuant to intergovernmental agreements to exchange financial account information. You can find summaries of defined terms such as an account holder, Controlling Person, and other terms, in the Appendix.

For joint or multiple controlling persons please use a separate form for each controlling person.

Where you need to self-certify on behalf of an entity account holder, do not use this form. Instead, you will need an 'Entity CRS Self-Certification Form'. Similarly, if you're an individual account holder, sole trader or sole proprietor, then please complete an 'Individual CRS Self-Certification Form'.

Appendix – Summary descriptions of select defined terms

Note: These are selected summaries of defined terms provided to assist you with the completion of this form. Further details can be found within the OECD Common Reporting Standard for Automatic Exchange of Financial Account Information (the 'CRS'), the associated Commentary to the CRS, and domestic guidance.

If you have any questions then please contact your tax adviser or domestic tax authority.

'Account Holder' The term 'Account Holder' means the person listed or identified as the holder of a Financial Account. A person, other than a Financial Institution, holding a Financial Account for the benefit of another person as an agent, a custodian, a nominee, a signatory, an investment advisor, an intermediary, or as a legal guardian, is not treated as the Account Holder. In these circumstances that other person is the Account Holder. For example in the case of a parent/child relationship where the parent is acting as a legal guardian, the child is regarded as the Account Holder. With respect to a jointly held account, each joint holder is treated as an Account Holder.

'Controlling Person(s)' 'Controlling Persons' are the natural person(s) who exercise control over an entity. Where that entity is treated as a Passive Non-Financial Entity ('Passive NFE') then a Financial Institution is required to determine whether or not these Controlling Persons are Reportable Persons. This definition corresponds to the term 'beneficial owner' described in Recommendation 10 and the Interpretative Note on Recommendation 10 of the Financial Action Task Force Recommendations (as adopted in February 2012).

'Controlling Persons of a trust' means the settlor(s), the trustee(s), the protector(s) (if any), the beneficiary(ies) or class(es) of beneficiaries, and any other natural person(s) exercising ultimate effective control over the trust (including through a chain of control or ownership). The settlor(s), the trustee(s), the protector(s) (if any), and the beneficiary(ies) or class(es) of beneficiaries, must always be treated as Controlling Persons of a trust, regardless of whether or not any of them exercises control over the activities of the trust.

Where the settlor(s) of a trust is an Entity then the CRS requires Financial Institutions to also identify the Controlling Persons of the settlor(s) and when required report them as Controlling Persons of the trust.

In the case of a legal arrangement other than a trust, such term means persons in equivalent or similar positions.

'Entity' The term 'Entity' means a legal person or a legal arrangement, such as a corporation, organisation, partnership, trust or foundation.

'Reportable Account' The term 'Reportable Account' means an account held by one or more Reportable Persons or by a Passive NFE with one or more Controlling Persons that is a Reportable Person.

'TIN' (including 'functional equivalent') The term 'TIN' means Taxpayer Identification Number or a functional equivalent in the absence of a TIN. A TIN is a unique combination of letters or numbers assigned by a jurisdiction to an individual or an Entity and used to identify the individual or Entity for the purposes of administering the tax laws of such jurisdiction. Further details of acceptable TINs can be found at the OECD automatic exchange of information portal.

Some jurisdictions do not issue a TIN. However, these jurisdictions often utilise some other high integrity number with an equivalent level of identification (a 'functional equivalent'). Examples of that type of number include, for individuals, a social security/insurance number, citizen/personal identification/service code/number, and resident registration number.
